Emo. 1 file

Bangalore, 16th May 1916.

From

RAO BAHADUR M. SHAMA RAO, Esq., M.A.,
Inspector-General of Education in Mysore.

To

P.G. D'Souza, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore.

SIR,

I have the honour to forward herewith copies of correspondence between the Minister of Education, Baroda and myself, ending with his letter No.4892 dated 3rd May 1916 on the subject of lending the services of a Sloyd Instructor. The Minister now states that the services of Mr. S. Srinivasa Rao are needed for one year and that the Baroda Government have now accepted the terms on which Mr. S. Srinivasa Rao expressed his willingness to go, viz., a salary of Rs.250 per mensem and a pension contribution of Rs.25 per mensem in addition to the travelling allowances. Mr. Srinivasa Rao's services had been lent to the Bombay Government for three years from 15th May 1914, but on account of financial stringency there, he was allowed to return in December last, about 17 months before the expiry of the full three years. He is now acting as Curator of the Government Central Book Depot, Bangalore in grade Rs.100-10-150, his permanent appointment being that of an Assistant Inspector of Education in grade Rs.75-10-125 and his actual pay in this grade being Rs.95. His services may be conveniently lent for a year to the Baroda State and I solicit the sanction of Government to do so. Mr. Srinivasa Rao, from his stay in

the

the Bombay Presidency is found to have acquired considerable acquaintance with the working of Educational Institutions outside the Mysore State and his stay in Baroda, where numerous educational experiments are being tried during the past some years, would be helpful to the Mysore Education Department also, in as much as during his stay in the Baroda State he is willing to furnish, as he did while in Bombay, special reports on ~~regarding~~ the working of the Educational Institutions of the Baroda State and on the Educational questions engaging the attention of the authorities there.

I have the honour to be,

Sir,

Your most obedient servant,

He. Shave Rao.

Letter No.2770 dated 1st January 1916 from the Minister of Education, Baroda, to the Inspector General of Education in Mysore.

Some time ago I requested you to inform me whether you will be good enough to spare the services of a Sloyd teacher from your Department for a temporary period. In reply to it, you wrote to me that none of them would be available then. I therefore requested you to train some graduates, if sent from here, to which you agreed. But afterwards I received an application of Mr. K. Srinivas Iyengar, B.A., from Bangalore. I then wrote to you to state whether his services would be spared and the terms that would be accepted by him. Your reply by wire having been received and submitted to His Highness' Government, sanction has been accorded to his appointment on Rs.175 p.m. plus 1/11 of the salary as Pension Contribution and you have been informed of this as per this office letter No.2748 dated the 30th instant.

The very next day I was informed by a friend that Dr. Paul Chinnappa, M.A., Ph.D., specialist in Sloyd and Montessori Method of the Teachers' College, Mysore State was available for the temporary work and will be more qualified than K. Shrinivas Iyengar.

May I request you to let me know if Dr. Paul is willing to take up the work at Baroda on Rs.175 p.m. and whether you will give a loan of his services. Full information on his subject will be very helpful in coming to a final decision.

Letter No.3157 dated 24th January 1916 from the Minister of Education, Baroda, to the Inspector General of Education in Mysore.

In acknowledging the receipt of your letter No.13483/2192 of the 19th January 1916, I understand that the services of Dr. Paul are not available, and that Mr. Iyengar could be spared for the temporary Sloyd work at Baroda. However on writing to Mr. Iyengar about the sanction of his appointment, he raises the question of carriage and house-allowances. The Baroda Government rules do not admit of any kind of house or conveyance allowance. He shall get railway-fare and Bhatta when he moves in the district. Under the circumstances you will be good enough to let me know, if Mr. Iyengar is willing to accept the temporary work offered him on Rs.175 p.m. and 1/11 of the salary as pension contribution as previously settled, without house-rent or carriage allowance.

2. Mr. S. Shrinivas Rao whose services are lent to the Bombay Education Department by you and is now engaged in conducting a class of sloyd training at Dharwar for a period of two years will complete the period of his temporary service next September or October. You can then spare his services for Baroda and if he is willing to come over here on the same terms, as he got in Bombay services, I might consider, if it is advisable to wait till that time.

3. If Mr. Iyengar is ready to come under the terms first proposed by you, kindly inform me when he will be in a position to take charge.

the honour to inform you that Mr. Srinivasa Iyengar wants to
have Rs.200 a month and 1/11ths of the salary as pension contribu-

2. With reference to para 2 of your letter, I have the
honour to inform you that Mr. S. Srinivasa Rao, B.A., returned
